Version 3.3
11 April 2023

Pekada authorised representative of Communitas Wealth
Pty Ltd. ABN: 21 620 514 945. AFS License No. 500551

Pekada is a privately owned and operated financial advice business.

We have our own Australian Financial Services Licence, meaning that we have no affiliation to any big bank, institution or product provider.

We believe when you get to the heart of financial advice it is about enabling our clients to live a rich life, which is less about the money, and more about what the money can do.

We aim to set a new benchmark in providing real financial advice.

About our Financial Services Guide

Our Financial Services Guide (FSG) provides information about our services, how our representatives are remunerated, and your rights as a client, including our complaints system.

It is important that you read this Financial Services Guide (FSG). It contains information that will help you decide whether to use any of the financial services offered by us, as described in this guide, including:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee Communitas Wealth Pty Ltd (Communitas)
- our fees and how we, your adviser and Communitas, are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or Communitas

Not Independent

Communitas Wealth Pty Ltd receives commissions from life insurance products. As such we are not able to refer to ourselves as 'independent', 'impartial' or 'unbiased'.

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

As part of the process of understanding your needs, we may provide you with summary documents outlining your goals and priorities. These are not advice documents and should not be relied upon to make financial decisions.

When we provide personal advice it will normally be documented and provided to you in a **Statement of Advice** (SoA). The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you, we will provide a **Product Disclosure Statement** (PDS) or **Investor Directed Portfolio Service** (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

A **Fee Disclosure Statement** (FDS) will be issued to you in instances where you enter into an Ongoing Fee Arrangement with your adviser for a period greater than 12 months. The FDS will contain information about the services you received, the fees you paid during the period and the fees for the upcoming 12 months.

A **written consent to renew service and deduct fees** notice will be issued annually if you have entered an ongoing fee arrangement. This notice will give you the option of renewing the ongoing fee arrangement and will outline the services we intend to provide to you over the next 12 months.

Tax implications of our advice

Under the Tax Agent Services Act 2009, Rhiannon Kanoniuk, Pete Pennicott and Zac Masters are authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

If you do not require advice, we can also arrange for you to apply for limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which we will document in writing. You can ask us for a copy of this documentation at any time.

Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between us, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

The fees charged for our advice may be based on a combination of:

- A set dollar amount; or
- A percentage of the funds that you invest.

Initial advice and implementation

This covers the cost of researching, preparing and implementing your financial plan and is based on a set dollar amount ranging from \$1,650 - \$8,800.

Before providing you with initial advice we will prepare an Initial Advice Agreement. The agreement sets out what our initial advice covers and how much it costs. The initial advice fee will also be disclosed in your SoA.

Ongoing advice

An ongoing advice agreement will set out our support packages including the advice and services we will provide, the frequency these will be delivered, how much it will cost, your payment method and how the service can be terminated.

The fee covers the cost to review the strategies and the products recommended in your SoA. It may be charged as a set dollar amount (starting from \$2,200pa) or a percentage of your investments (up to 1.1% subject to a minimum of \$2,200).

Additional advice

For all other advice, an additional advice fee, based on a set dollar amount, may be payable.

- Principal Adviser – time charged at \$440 per hour in 15 minute increments, this includes any meetings, phone calls and preparation/ post meeting work required. If additional personal advice is required (and therefore we need to prepare formal documentation), this will be quoted at normal advice fee rates depending on complexity.
- Financial Adviser - time charged at \$275 per hour in 15 minute increments, this includes any meetings, phone calls and preparation/ post meeting work required. If additional personal advice is required (and therefore we need to prepare formal documentation), this will be quoted at normal advice fee rates depending on complexity.
- Administration – Time Charged at \$165 per hour. This is for maintenance work that you do not require an adviser for, for example address updates, payment requests from investments etc.

Insurance

For advice in relation to insurance, we receive payments from the insurance provider, which are factored into the annual premium. These may range from:

- 0% to 66% of the first year's insurance premium paid, and/or
- An ongoing payment of between 0% and 22% per annum of the following years' premium.

For example, on an insurance premium of \$1,000 that is paying 66% initial commission and up to 22% ongoing commission, the upfront commission may be \$660 once off and the ongoing commission would be \$220 per annum.

Payment methods

We offer you the following payment options for payment of our advice fees:

- Direct debit (credit card or debit card) and bank deposit.
- Deduction from your investment

All fees and commissions will be paid directly to Communitas as the licensee. They retain an amount (a licensee fee) to cover their licensee costs and the balance is passed on to us. The amount is determined annually, based on a number of factors, including our business revenue and the number of advisers in the practice.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services. These can include financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance.

We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Relationships and associations

It is important that you are aware of the relationships that Communitas has with providers of financial services and products as they could be seen to influence the advice you receive.

Communitas Wealth SMAs are offered in collaboration with Evergreen Consultants as the asset consultant and Netwealth appointed as the Responsible Entity and operator of the administrative investment platform.

Evergreen Consultants, and Netwealth receive fees for their involvement in our SMAs that will be disclosed to you in your Statement of advice if we recommend one of these accounts to you.
